COOKS BRILLIANTLY SAVES BRILLIANTLY

- Zoned control matches service demand
- Helps operators reduce energy use and to achieve environmental goals

FAST, EASY CLEANING

- Less labour
- Removable, heavy-duty segmented cast iron grids
- Enameled base plate beneath grids for easy cleaning
- Vapourising technology turns fat and debris into ash for simple sweep-out cleaning
- Three-piece stainless steel splashback for easier cleaning

ENERGY**

THREE SIZES - 600, 850 & 1100MM

MORE USABLE
COOKING SPACE**

- Capacity management - Fits any kitchen requirement
- Smaller footprint. Larger cook zone
- Redesigned for higher output - in less space
- Smart design. Maximum productivity

*compared to a Gas Chargrill
**compared to a Direct Cook Chargrill
